**FOR IMMEDIATE RELEASE**

**THE PROPOSAL CENTER PARTNERS WITH DISNEY FOR CORPORATE VIDEO PRODUCTION**

September 12, 2009, Orlando, FL – The Proposal Center selected Walt Disney World to film and produce a video for a recent Steering Committee meeting of Agility Global Integrated Logistics and Agility Defense & Government Services business units. The business units held a basketball game at the end of the Steering Committee meeting to determine which organization was more “agile.” The Proposal Center was in charge of the meeting, including hiring a local company to produce the video of the basketball game.

Disney sent two seasoned videographers to film the game, which was held at the Lake Nona YMCA. Within 2 weeks, Disney delivered the final professional video.

The Proposal Center (TPC) is located in Orlando, Florida and provides full-service, next generation proposal services to businesses competing in the government and commercial arena. TPC recently moved into new 24,000 square foot office that houses state-of-the-art equipment, offices, conference rooms, and wall space. TPC offers customers a winning approach to proposal preparation through the use of its proprietary PROPElements—systems and processes designed specifically to meet the needs of government and commercial proposal development efforts.

Agility is one of the world’s leading providers of integrated logistics to businesses and governments. It is a publicly traded company with \$6.8 billion in annual revenue and more than 37,000 employees in over 550 offices in 120 countries. Agility brings efficiency to supply chains in some of the world’s most challenging environments, offering unmatched personal service, a global footprint, and customized capabilities in developed and emerging economies alike.

Agility’s commercial division, Agility Global Integrated Logistics (GIL), is headquartered in Switzerland and provides supply chain solutions to customers in technology, retail, chemicals, and other industries. Agility Defense & Government Services (DGS) offers logistics services to governments, relief agencies, and international institutions worldwide. Agility Infrastructure group companies primarily focus on opportunities in the Middle East, Africa, and South Asia, providing infrastructure support in the areas of industrial real estate, customs optimization, and airline services.
